\* The initial fare is always applied.

\*\* The home pickup / approach fee does not apply if the customer is picked up at an official taxi rank.

\*\*\* Night-time tariff applies from 10:00 p.m. to 6:00 a.m.

\*\*\*\* Applies when the passenger returns to the place of departure.

The total fare is shown on the taximeter:

- while the vehicle is moving, the taximeter calculates the distance-based fare (per kilometre);
- when the vehicle is stationary, the taximeter calculates the hourly waiting-time fare (e.g. at traffic lights).

The home pickup fee and all other applicable supplements (luggage, booking fee, and each passenger beyond the fourth) are added by the driver at the end of the journey and displayed on the taximeter;

The motorway tolls' amount is communicated verbally to the customer.

The driver is required to issue an invoice only upon the passenger's request: VAT at 10% applies only to journeys exceeding 50 km.

Holiday and/or night-time supplements are NOT cumulative.
